Title:	METHOD AND SYSTEM FOR INSPECTING BOTTLES (As Amended)		

---

INTERVIEW SUMMARY

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

Applicants' representative, Gregory Sebald, spoke via telephone with the Examiner, Jennifer Bennett, on July 15, 2011. Claims 1, 11 and 12 were discussed. It was pointed out that there was an antecedent basis issue with regard to the image recording device recited. The claims were amended so that proper reference was made to an earlier recitation in claims 1, 11 and 12. The amendments to the claims were to be made by Examiner's Amendment, and authorization for the Examiner's Amendment was granted by Applicants' representative. It was agreed that with the amendments, the application would be in condition for allowance. Applicants' representative thanks Examiner Bennett for the cooperation and courtesy extended during the interview. If a further telephone interview would be helpful in this matter, please contact Applicants' representative at (612) 336-4728.

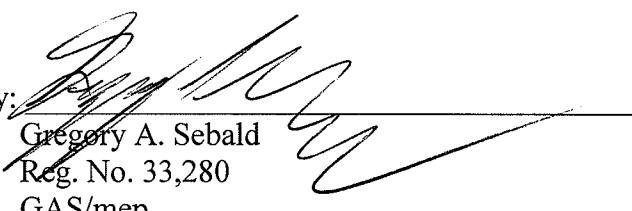

Respectfully submitted,

MERCHANT & GOULD P.C.
